Hello my name is
"STRIKER". I am an
F-15E Fighter Jet.
I hope you enjoy my book.

As a parent, you know how important it is for your child to discover life's adventures. New and exciting experiences like today's air show can stimulate your child's curiosity and imagination. No doubt, you've even found yourself answering a lot of questions from a young enthusiastic mind.

Look around, the Air Force men and women you see continue to explore and discover a world where they Do Something Amazing every day. They represent:

- Teamwork**
- Speed**
- Technology**
- Patriotism**

By encouraging your son or daughter to use their imagination and to dream about tomorrow's possibilities, they too, will some day Do Something Amazing.
